Statement from Harry Nespoli, Chair of the Municipal Labor Committee

With today's City Hall announcement, our retired city employees will retain high-quality, premium-free healthcare in a unique Medicare Advantage plan designed to meet their needs. The MLC fought hard to dramatically reduce the use of prior authorizations and to make sure that the doctors our members now use are covered by the plan. The MLC will remain at the table to ensure that the plan is implemented as written and to enforce the safeguards that we helped negotiate.
