## PUBLIC SAFETY OFFICERS EDUCATIONAL ASSISTANCE

### Eligibility:

- This is for **LODD** and **permanently and totally disabled** and **must be APPROVED for PSOB**. Educational assistance through the PSOE A Program is available to the spouse or children of a public safety officer after the PSOB death or disability claim process has been completed and benefits have been awarded.
- The spouse of a public safety officer is eligible to receive PSOE A funds for educational expenses at any time during his or her lifetime.
- Children who were listed on the PSOB are eligible to receive educational assistance for expenses that occur prior to their 27<sup>th</sup> birthday.
- A spouse or child is eligible to receive PSOE A funds for a period no greater than 45 months of full-time education or a proportionate period of a part-time program.
- Eligible applicants may be paid retroactively for past semesters.
- Students attending college in NY State are now eligible to receive the PSOB Funds in addition to NYS TAP (HESC/WTC Scholarship).

### Awards:

- Recipients will receive \$1,224 (after Oct. 1, 2018) per month of class attendance. All award amounts are proportionately less for part-time students. The educational assistance may be used to defray relevant expenses, including tuition and fees, room and board, books, supplies, and other education-related costs.
- PSOE A award payments are made through the U.S. Department of the Treasury and sent directly to the claimant. A check is mailed to the applicant's home address (as provided on the PSOE A application) within 14 business days after he or she receives a notification letter.
- Payment can also be made by direct deposit if the applicant provides banking information.
- If the decision is unfavorable, the claimant will receive the grounds for that finding and have 30 days from receipt of notification to request an appeal of the decision and offer any new evidence or line of reasoning on the issues in controversy.

### Application:

- Even though applicants can apply for retroactive assistance for all semesters already completed, they can request prospective assistance only for the current or upcoming semester. Therefore, applicants who are still in school typically receive multiple PSOE A awards as they submit updated documentation each time they complete one semester and prepare to attend the next. This is to ensure that students continue their schooling and make satisfactory progress, as PSOE A payments may be discontinued if the student does not achieve at least a 2.0 (letter grade of "C") grade point average.

### Dates:

- The application process is ongoing. Once an application is approved, the award will be received 4-6 weeks after.
