

UFA Safety Message

An Official Communication
from the UFA Health and Safety Office

January 26, 2021

Additional First Dose COVID-19 Vaccination Appointments Added

Additional 1st Dose COVID-19 Vaccination appointments have been made available on the Learning Management System (LMS).

Appointment Dates:

- Appointments will be available from Wednesday, January 27, 2021, to Monday, February 1, 2021.

Eligibility:

- At this time, due to supply shortages, the Department can only offer vaccinations to active-duty members and retirees who are over 65 years of age and who are also part of the FDNY WTC Health Program.

Scheduling:

- All appointments must be created in the Learning Management System (LMS).
- To view available registration times and locations, log into LMS: www.fdnycampus.org.

Contact:

- For assistance with registration in LMS, call:
 - FDNY Help Desk - 718-999-2611
 - WTC Health Program Help Desk - 718-999-1365

Appointments are mandatory.

WALK-INS WILL NOT BE ACCEPTED

Vaccination sites receive the exact doses of vaccine needed to meet scheduled demand.

Fraternally,

Michael Schreiber
Sergeant-at-Arms
Health & Safety Officer
