

UFA Safety Message

An Official Communication
from the UFA Health and Safety Office

January 22, 2021

Update: ***Additional Vaccination Appointments Available***

The Fort Totten and Randall's Island vaccination locations have added additional 1st dose Moderna COVID-19 vaccination appointments into the Learning Management System (LMS).

- ***Appointment Dates:*** New appointments are available from today, Friday, January 22, 2021, to Sunday, January 24, 2021, for active-duty members and qualified retirees over age 65.
- ***Scheduling:*** All appointments must be created in LMS. To view available registration times and locations, log into LMS: www.fdnycampus.org

For elderly UFA retirees that are unable to access or navigate LMS registration, please call the following numbers for assistance:

- FDNY Help Desk - 718-999-2611
- WTC Health Program Help Desk - 718-999-1365

Appointments are mandatory.

WALK-INS WILL NOT BE ACCEPTED

Vaccination sites receive the exact doses of vaccine needed to meet scheduled demand.
