

First Responders Children's Foundation Honors first responders on National First Responders Day

Honoring First Responders – A Salute to Service

OCTOBER 28th, 2022 | DUFFY SQUARE

First Responders Children's Foundation Honors first responders on National First Responders Day

Honoring First Responders – A Salute to Service

Over two decades ago, the First Responders Children's Foundation (FRCF) promised to remember the sacrifices that were made by first responders on 9/11. We honor that commitment by providing transformational programs and services year-round to the children and families of first responders who have been injured or have lost their lives in the line of duty.

Join Us on New York City's Biggest Stage as We Celebrate America's Heroes

On October 28, 2022, FRCF will host an unforgettable, high-profile event that will highlight the most altruistic acts of bravery on **National First Responders Day**. This first-of-its-kind experience set in the heart of New York City's Time Square will feature FRCF's "Roll Call of Heroes" program which recognizes real-life heroes on a national stage with a representative from each category of first responders on behalf of all first responders. Categories include:

- Public safety officers
- EMTs paramedics
- 911 dispatchers
- Firefighters
- Nurses
- 9/11 survivors

The individual representing each category of first responder will be honored for their personal heroism and receive an award on behalf of all first responders in their respective field.

First responders from California, Florida, New Jersey, New York, Tennessee, Texas, and across the country will be invited to be honored, including: firefighters battling fires in California, Search and Rescue teams from Louisiana, and COVID-19 response EMTs in New York City. "Roll Call of Heroes" recipients have gone above and beyond the call of duty and risked their lives to rescue others in their communities. They are true heroes who represent the service and sacrifice of all in their profession.

To help us celebrate these honorable men and women on National First Responders Day, FRCF has planned a spectacular venue of performers, speakers, and presentations. We will invite A-List entertainers from the stage, screen, and music industry as well as provide speaking opportunities and brand activations for Title Sponsors at the event. Guest will include senior leadership from local, state, and federal first responder agencies from around the country.

Proceeds from the event will support FRCF programs including college scholarships, direct financial assistance, bereavement assistance, and toys during the holidays. Proceeds will also support mental health services for children of first responder families through the newly introduced First Responders Children's Foundation Resiliency Program.

For more information about how to become a sponsor of FRCF's National First Responders Day Event in Times Square, contact Joanna Black at 646-912-2681 or joanna@1strcf.org.
