Firefighter Robert V. Fulco is the 343rd member of the Department to succumb to WTC-related disease, marking the same number of members that were lost at Ground Zero on 9/11/01.

The Department has announced that the passing of retired Firefighter Robert V. Fulco of Engine 250 was caused by illness sustained during the rescue and recovery efforts in the aftermath of the attacks on the World Trade Center. Firefighter Fulco was appointed on November 5, 1977, and served the Department until his retirement on August 31, 2002. We extend our condolences to his family and friends and thank him for his service.

Off-duty members and their families are invited to attend the services in honor of retired Firefighter Robert Fulco. Members should wear Class A Uniform.

Fraternally,

Eric DioGuardi
Recording Secretary
