Dear Commissar,

The **Battle of the Badges** returns to the "worlds most famous arena", Madison Square Garden, on **Thursday March 14th, 2023** when the **FDNY Bravest Boxing Club** takes on Police & Firefighters from around the world for charity.

Proceeds from this event will benefit the **Tunnel to Towers Foundation**.

Tickets for this exciting event will be on sale soon at www.fdneyboxing.org

Our team is a registered **503 (c) 3 Non-Profit organization** which last year alone raised over 100k for Tunnel to Towers as well as thousands for other worthwhile charities. We would not be able to do this without the generous support of our members.

Please consider having your firehouse patch displayed in our virtual journal which will be shown on all the screens throughout MSG during our event.

There are two packages to choose from:

HEAVYWEIGHT - \$250 - Firehouse patch displayed on a loop throughout the event on the two large screens at the world famous Madison Square Garden for the duration of the event.

SUPER HEAVYWEIGHT - \$500 - Firehouse patch displayed throughout the event with twice the exposure as a Silver sponsorship plus a special live announcement acknowledging your generous donation from the ring announcer during the event. Your company patch will also be displayed on the sponsors page of our website www.fdneyboxing.org.

If interested please email your company's jpeg to fdneyboxing@fdneyboxing.org. Checks as well as Zelle (fdneyboxing@fdneyoxing.org) can be used for payment.

Please send checks to:
