

PLEASE POST

Hello all,

The FDNY Bravest Boxing Club returns to **Madison Square Garden on Thursday March 14th** for the 1st ever, **“International Battle of the Badges”**. We have invited Police and Firefighters from around the world to come to NYC and take on the FDNY in the “worlds most famous arena”. Proceeds from this event will benefit the **Tunnel to Towers Foundation**.

Tickets prices start at \$35, \$50 and \$100 for ringside and are on sale now at www.fdneyboxing.org.

If you would like to represent the FDNY in this charity event we need to hear from you ASAP as matches are being made now and training has already begun.

We train as a team on Tues. & Thurs. from 10:00 AM-12:00 PM at Victory Boxing located at 455 West 37th Street in NYC. We have a highly skilled training staff dedicated to getting you ready to win. All that is needed is a mouth guard, hand wraps and the desire to do the work necessary to have your hand raised in victory.

We also have a few select openings for **“GRUDGE MATCHES”**. If you have a beef with someone and you want to settle it like gentleman (or gentlewomen), why not do it in the ring at the mecca of boxing, Madison Square Garden. This is truly the chance of a lifetime.

Both contestants must be close in both age & weight. All grudge matches will be scheduled for 3 one minute rounds. You will also need to register with USA Boxing Metro.

All interested members should contact head coach Mike Reno at (917) 816-6952
