RETIRED FIREFIGHTER DANIEL J. NOONAN LADDER 9

April 8, 1948 - July 21, 2024

The UFA regrettably announces the passing of Retired Firefighter Daniel Noonan. Firefighter Noonan served the Department from his appointment in 1973 until his retirement in 1984 and long thereafter as a tireless advocate for toxic exposure-related illness. One of the few FDNY members to fight in NYC's two most toxic blazes, Dan responded first due with Ladder 3 to the NY Telephone Company Fire in 1975 while on the job, and, in his retirement, joined the rescue and recovery efforts after the attack on the World Trade Center.

His experience in the Fire Department, along with his own diagnosis, propelled Dan's lifelong mission of raising awareness about occupational cancers among firefighters and promoting medical monitoring and early detection. We thank Firefighter Noonan for his dedication both on and off the job, and vow to *Never Forget* his efforts and accomplishments.
