FIRE LINES: JULY 2025 – JULY 2026 EDITION

The UFA is happy to announce that the newest edition of *Fire Lines*, covering July 2025 through July 2026, has been printed and is being distributed to the membership.

Each company will receive two hard copies at their firehouse, and each retiree will receive one copy by mail. A limited number of additional copies are available upon request while supplies last.

The digital version is also available to logged-in members on the UFA website. To view it, go to www.ufanyc.org and log in to your account. Once logged in, click the Member Services tab at the top of the homepage, then click *Fire Lines*. If you are already logged in, you may also use the direct link at tinyurl.com/FireLinesJuly2025-July2026.

As this edition looks back on the past year of UFA advocacy efforts, celebrated accomplishments, solemn memorials, member events, and more, it also marks the close of one chapter in UFA leadership and the beginning of another. We hope it serves as a year in review for the membership, recognizing the contributions that brought us to this point while looking ahead to the UFA's continued work and success under our newly elected Executive Board.

We hope you find this issue of Fire Lines informative and resourceful. To ensure the membership continues to get the most out of our publications, we welcome your suggestions for future editions. Members are encouraged to email recordingsecretary@ufanyc.org with content requests, member highlights, event photographs or other relevant material.
